

Math 495R Homework 2 (Higher dimensional plotting)

- (1) In the ACME Introduction to Matplotlib lab 5 in the Python Essentials document, do Problem 6 (Plotting in higher dimensions).
- (2) In the ACME lab Introduction to Matplotlib: 3D Plotting and Animations document, do Problem 2 (Plotting orbits in 3D).
- (3) In the ACME lab Introduction to Matplotlib: 3D Plotting and Animations document, do Problem 4 (Making a surface plot).
