Before You Begin:
To register for MyMathLab you will need:

- A MyMathLab student access code (packaged with your new text or standalone at a bookstore) OR a major credit card to purchase the access code at www.mymathlab.com
- Your instructors’ Course ID (available in class)
- A valid email address

Student Registration:
1. Enter www.mymathlab.com in your Web Browser.
2. Under Register, select Student.
3. Enter your Course ID exactly as provided by your instructor and click “Continue”. Your course information should appear. If not, contact your instructor to verify the correct Course ID.
4. If you do not have an account, select Create. Follow the directions to create an account for yourself. Be sure to use an email address that you check.
5. Read the license Agreement and Privacy Policy and check “I accept.” then select Create Account.
6. Type your Access Code in the fields provided (one word per field), and click Next. If you do not have an access code, click Buy Now and follow those prompts to purchase and register. You can also select “Temporary Access” as well.
7. Once your registration is complete, you will see a Registration in process screen. Simply print your confirmation (remember to write down your login name and password).
8. When your registration is processed, you can Log in and access your homework and quizzes.

Logging In:
- Go to www.mymathlab.com and click on “Sign in.” Enter your Username and Password and select “Sign in.”
- On the left, click the name of your course.

The first time you enter your course from your own computer and anytime you use a new computer, click the Browser Check on the Dashboard. After completing this process, you will ready to work in MyMathLab.
